Dear Member,

At today's special meeting, we overwhelmingly decided to move forward with the modernization of the Big Bore Range. This project is so important to greatly improve the quality, safety, and accessibility of this superb feature of our Club for generations to come. Often is the case that especially our older members have difficulty getting down the hill trail to use the Big Bore Range and this challenge is even greater during periods of inclement weather.

To help offset the loan needed to make the improvements, it is essential that our entire membership be as generous as possible in helping us meet our funding target of \$210,000. In recognition of your generosity and to provide a legacy of appreciation for all to see, various levels of publishing your name nearby the Range are described below.

- ❖ For a donation of greater than \$50,000: You will have the opportunity to present to the Executive Board a name for the Big Bore Range improvement project.
- ❖ For a donation of \$10,000 to \$49,999: Your name will be inscribed on a granite monument.
- ❖ For a donation of \$1,000 to \$9,999: Your name will be placed on a weather-proof sign in the Gold Patron category.
- ❖ For a donation of \$500 to \$999: Your name will be placed on a weather-proof sign in the Silver Patron category.

Please fill out and detach the donation form below and return it with your gift to:

Thank you,

Bill Potter
President
