

LOWELL SPORTSMEN'S CLUB

SKREET RANGE SAFETY RULES

1. Keep all shotguns pointed in a safe direction, or in the provided storage racks.
2. Keep shotgun unloaded & actions open until the shooter is on the skeet concrete pad and it is his/her turn to shoot. Firearms will be unloaded & actions open before the shooter steps off the pad.
3. Whenever people are forward of the firing pads:
 - a. All firearms will be UNLOADED & ACTIONS OPEN, or
 - b. UNLOADED & PLACED IN THE PROVIDED STORAGE RACKS
4. When "CEASE FIRE" is called:
 - a. STOP FIRING IMMEDIATELY
 - b. UNLOAD ALL FIREARMS
 - c. KEEP ACTIONS OPEN
5. Eye & ear protection must be worn at all times. This includes observers as well as shooters since broken clay pieces do not make a distinction.
6. For form practice or matches, all shooting must be done at the designated concrete pads. Only on specific occasions and with the consent of the Range Officer will shooting be allowed at other locations.
7. No shot larger than 7 ½ will be fired on the skeet field.
8. Each shooter is responsible for cleaning up the skeet field (includes hulls, boxes, soda cans, lunch wrappers, etc)
9. Shooters, even with actions open, will be mindful of the direction of their muzzles so as to not sweep across other shooters or spectators.
