

LOWELL SPORTSMEN'S CLUB
50 Swain Road, North Chelmsford

CARRY & SHOOT: A PRACTICAL PISTOL WORKSHOP

**Running from February to April, on the
3rd Sunday of each month from 12-3**

Bringing together both beginners and more experienced individuals who are interested in learning and sharing information about concealed carrying and practical pistol practices.

No matter your skill level, everyone is welcome to join us in the club house starting at 12 noon for an open discussion, followed by range time on either the Big Bore or Indoor range (weather dependent), wrapping up around 3PM.

The goal of this event is to help attendees to be more confident and proficient in their concealed carry capabilities and more comfortable while concealed carrying. The workshop aims to improve; your draw, become more proficient with getting on target, follow up shot accuracy, and navigating potential malfunctions under pressure.

We encourage anyone looking to attend to bring their preferred concealed carry pistol, as well as a holster for it and approximately 150-200 rounds of ammunition. If anyone has any questions about this event, please send us an email Events@lowellsc.org
