

LOWELL SPORTSMEN'S CLUB

IT'S THAT TIME OF YEAR AGAIN!!

Yes, it is time again for the

LSC Spring Clean Up

Saturday, June 1, 8am

All members are encouraged to drop by to pitch in, even if you cannot stay for the entire time.

For the hearty souls that stick around until noontime, we plan to have amazing LSC burgers and hotdogs (not available in stores!) from the grill so that the crew stays well nourished.

If there is enough interest and help, we will do whatever else we can get done in the afternoon.

This is general grounds cleanup work so if you have a favorite rake, shovel, leaf blower, weedwhacker, or pair of work gloves, please bring them along. Or any other tools you think might be useful.

How much we can get done will depend entirely on what help we can muster. Please come join in to help keep your club property looking good!

Please contact VP Al Anganes at vice_president@lowellsc.org with any questions.
